

Project Design Phase-II

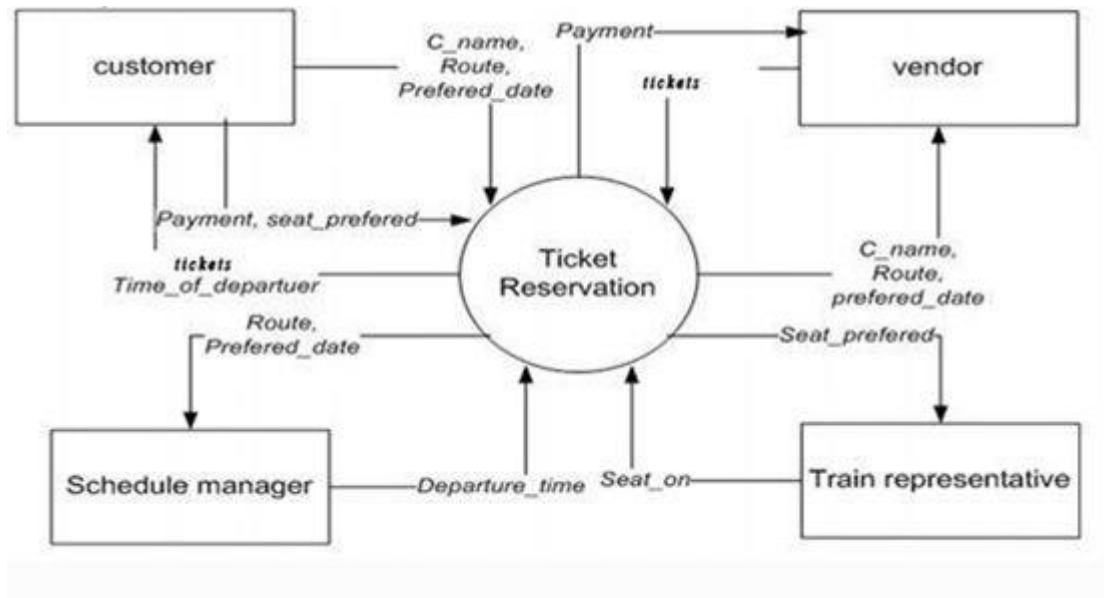

Data Flow Diagram & User Stories

Date	03 October 2022
Team ID	PNT2022TMID18625
Project Name	Smart solutions for railways
Maximum Marks	4 Marks

Data Flow Diagrams:

A Data Flow Diagram (DFD) is a traditional visual representation of the information flows within a system. A neat and clear DFD can depict the right amount of the system requirement graphically. It shows how data enters and leaves the system, what changes the information, and where data is stored.

Example: [\(Simplified\)](#)
